**ELITRA 24/7 CONCIERGE PROGRAM**

Elitra Health is proud to offer year round access to our premier New York City facility, including direct, unlimited access to our industry leading physicians, curated wellness plans, and unrivaled support from our world class concierge and clinical team.

Whether you require routine management of ongoing medical issues, have medical questions at any time, or simply are not feeling well, Elitra's 24/7 Concierge program is **your new primary care doctor.**

The doctor is **always** in.

# Focusing on your health. Prioritizing you.

Elitra Concierge members receive an extra level of premium personal service, including 24/7 access to their doctors and top-tier clinical team, for unrivaled peace of mind.

## Exclusive Concierge Members enjoy:

### Direct cell phone access to your doctor

Concierge Program members enjoy privileged 24/7 cell phone access to their doctor - along with the entire clinical team - for any questions or concerns at any time.

### Same-day appointments

Members are guaranteed same-day appointments and consultations with their doctor and clinical team.

### Customized wellness plan

Members receive a tailored wellness plan covering nutrition, exercise, relaxation, stress management, and lifestyle. Concierge service includes unlimited access to our specialists for checkups, accountability, and encouragement.

### Continuum of priority-level care

The Elitra clinical team will diagnose and manage any ongoing medical conditions, and maintain oversight and follow up for any additional recommended care. If a specialist is required, members receive priority access to our top network of recommended specialists, including immediate access to appointments and consultations.

### Active management of recurring conditions and concerns

Elitra will coordinate the plan of care for any medical issues, including:

- || **Cardiac**
- || **Cholesterol**
- || **High Blood Pressure**
- || **Obesity**
- || **Cancer**
- || **Diabetes**
- || **Hypertension**
- || **Stress**

### Unparalleled service and support

**Traveling?** Your specialist team will determine best-practices for your health while traveling, and call in any necessary prescriptions.

**Multiple prescriptions?** Elitra manages and organizes all medications.

**Pharmacy questions or concerns?** Elitra will take care of any prescription issues.

#### **Require a flu shot or another immunization?**

Elitra will schedule a priority appointment for an in-house immunization.

**Simply not feeling well?** Concierge members enjoy immediate appointments and same-day test results from our on-site laboratory.

# The Elitra 24/7 Advantage

---

## Connection to longevity exam facility

Elitra 24/7 is the only concierge healthcare program connected to a longevity exam facility. Members have access to top-trained ER doctors, world-class physicians, and on-site state of the art medical equipment, including:

- || **Same day lab testing and results**
- || **Blood workups**
- || **Full radiology suite**
- || **IV infusion**

---

## Partnership with Mount Sinai

Mount Sinai Hospital and Elitra Health have a strategic alliance that allows our physicians to work hand-in-hand with their team, **providing our patients with priority scheduling and access to their top specialists**, should the need arise. This partnership also enhances provider communications and improves the overall continuum of care.

---

## Premium facility

In addition to providing a superb clinical setting,, the Elitra patient experience is also first-rate. **Our five-star Manhattan facility includes state of the art equipment, luxuriously appointed common areas, changing rooms, exam rooms, and a full radiology suite with cutting edge equipment.**

---

## Full range of Elitra specialists at your disposal

**As a member of Elitra 24/7, not only will you have access to your physician, you will have access to our entire clinical team of certified professionals,** ranging from physicians and nurses to nutritionists, exercise physiologists, medical massage therapists, and more.

Each time you meet with your doctor, you will be ensconced in our well-appointed Manhattan facility, replete with leading-edge medical equipment and a world-class team of doctors and clinicians standing by for you.

To learn more about the program or to enroll as a member please reach out to Avi Levy on his direct line 646.768.9542 or email at [alevy@elitrahealth.com](mailto:alevy@elitrahealth.com).

**THE ELITRA 24/7  
CONCIERGE  
PROGRAM  
IS IDEAL FOR:**

- || Anyone who lives or works around the city
- || Anyone who puts a premium on their health
- || Anyone with moderate or severe healthcare issues
- || Anyone who wants to stay healthy

Well Above All
